

**TOWN OF RIVER BEND
CONSENT FOR EMERGENCY CONTACT**

In the event of a severe weather or other emergency, signing this consent form gives permission for a member of the Community Emergency Response Team (CERT) or Community Watch (CW) to come to your home to check on your safety. CERT does not provide medical care, but can administer basic first aid and contact the necessary emergency resources. CW is not qualified to administer first aid, but will provide support and contact resources. Both CERT and CW members would show you identification.

Your personal information will remain confidential except as needed to report to emergency responders.
