

CORONA VIRUS INFORMATION

In an effort to help reduce exposure to the corona virus, effective March 17, 2020, all events scheduled at the River Bend Town Hall or on town owned property are cancelled until further notice.

As of now, this does not apply to Town Council meetings.

Additionally, we encourage all residents to forgo in-person trips to Town Hall by using phone or email to conduct as much business with town staff as possible.

As always, our outside payment box can be used to submit utility payments or other correspondence for the town.

For any other business you may have with Town Hall, simply contact a staff member via phone to discuss alternative methods to complete it.
