

The Town of River Bend will be conducting 2 informational workshop for residents whose homes were damaged during the hurricane. Due to the expected size of the crowd, the meetings will be conducted outside. The meetings will begin at 10:30 a.m. and 6:00 p.m. on Wednesday, September 26 on the basketball court near Town Hall. Bring your own chair if necessary. The purpose of the meeting is to share information with as many people as possible at one time. During these meetings, we will not be conducting a "Question and Answer" session. We do not have the resources to do that. This will be an opportunity for you to receive information as a group from our Certified Floodplain Manager, Allison McCollum. This information will help you get started in the recovery process. You can direct specific questions to Allison at a later date. The meetings will start promptly so don't be late.
