

Town of River Bend
 Master List of Contractor Permits Issued
 Hurricane Florence - September 2018

A sign has been placed at the entrance of River Bend instructing contractors to obtain a permit from Town Hall before beginning any work. The Town of River Bend is requiring all contractors to provide us with proof of liability insurance. We suggest that you do not hire a contractor who does not display the Town issued permit which will be printed on bright yellow paper and will display the official Town seal printed in red ink. This permit in no way guarantees the reliability or performance of the contractor. It simply means that they have registered with the Town and have produced proof of insurance. The Town will maintain a list of contractor permits issued. We strongly suggest that you do not pre-pay for services to be provided. Pay only when the work has been completed to your satisfaction.
