

The Town of River Bend does not control the collection of recycling. That is a function of Craven County. Due to Hurricane Florence, the collection of recycling has been suspended. The facility that recycling is carried to is closed. Craven County has nowhere else to carry it. Many of you have called to ask us about recycling. All we can do is tell you what Craven County tells us. You can call 636-6659 to hear a message from Craven County about recycling. As of now, we do not know when recycling will resume. When we hear a date, we will inform you. In the meantime, you will just have to manage your own recycling. While recycling is important, right now there are much more important issues that our staff is concerned with.
