Craven County Curbside Pickup Service

\$57.75 for 3 months of service

To begin there is an initial payment of **\$82.75**, which includes delivery of a 96 gallon cart to your home. You also have the option to begin your services by picking a cart up at the office with an initial payment of **\$57.75**, see below for location

We provide services for basic household trash on a weekly basis. We do not pick up yard waste or bulk items. If you have trash that does not fit inside the cart, then you are required to provide a “sticker” which can be purchased at any of the local Food Lion stores.

Quarterly billing is done at the end of each of these months:

January April July October

Invoices will be received by the second week of each of these months:

February May August November

There are different options to choose to make your quarterly payments:

- Automatic drafting - this can be found at **www.republiconline.com**
- Mailing the payment directly to us, see below for address
- Calling the office and making a payment over the phone, see below for number

Payments are due by the 20th of the same month the invoice is received. If at any time you choose to cancel your services with us, for whatever reason, the cart must be returned to the office. This can be done either by you or for an additional fee of \$25; we can remove it for you.
