All leaf & limb debris must be the result of natural defoliation or minor trimming and must observe the following criteria:

1. Maximum diameter of limbs is three inches (3") and maximum length is six feet (6').
2. Place all material in a pile at the roadside with butt ends towards the street in a flat area away from mailboxes and driveway tiles. Leave room for removal equipment to work without harming adjacent grass or shrubbery.
3. Leaves and pine cones shall be bagged, **and program participants shall either use clear plastic bags or shall affix a permanent label which clearly identifies the name and address of the source material.**
4. No tree trunks, grass clippings or debris left by commercial contractors.
5. Leaf & limb material shall not be placed at the roadside more than five (5) days prior to the week of pick-up.
6. Pickup shall be done once per street per scheduled pick-up week. Any leaf & limb material placed on the roadside after a street has been cleaned shall be the responsibility of the property owner to clear immediately.

See reverse.

7. Pick-ups will be provided to all properties within the corporate Town limits only. Leaf & limb pick-up shall not be provided for contractors, including general yard maintenance contractors working on a resident's property. Additionally, no more than one trailer load of material will be picked up from any one commercial enterprise, and all material for pick up from the commercial enterprise must be in one location.
8. Leaf & limb is defined as leaves, pine cones, and small tree and shrub limbs. It does not include construction material of any kind, trimmings from lot clearing, tree trunks, grass clippings or debris left by commercial contractors.
