To all who visit the Town of River Bend's web site, Greetings. As the Mayor of River Bend it is my hope that you will find the information posted here to be informative and of assistance to you.

Our Town elected officials and professional staff stand ready to provide additional information to questions that you may have after review of the posted web material. Questions may be directed to the Town Clerk at the web address shown or by telephone to the posted telephone number.

Our Town with a population of just over 3,000, celebrated the twenty-fifth year of incorporation during 2006. We are proud of the way the Town has developed during those years. The direct involvement of dedicated citizens has been the driving force in the quality of life that residents enjoy today. That citizen involvement continues and will provide the visionary motivation as we plan for the future.

To those who may be considering relocation to the New Bern area we invite you to visit our community and consider River Bend as a potential home. Those of us who now call River Bend home enjoy the wide range of activities that are available and we delight in the enjoyable coastal setting and moderate climate.

Thank you for your review of our web site.

John Kirkland, Mayor
