Councilman Leonard gave a report on Town Council business.

Old Business:

Monofilament disposal – The report back from Town Hall was EWAB could fabricate and install the device at the kayak launch and possibly at the fishing pier then they would be reimbursed. Jon Hall and Paige Ackiss will be working on installing a receptacle at the marina not at the expense of the Town.

Discussed the status of T-shirts to be provided by the Town.

Local scouting troop was interested in doing a land-based clean-up around the waterways for a badge. The next possible time to schedule will probably be late summer early fall.

New Business:

Town budget includes a project to do soundings in the canal. The council would like EWAB to do the soundings on the canal. EWAB will volunteer to do it.
