THE COMMUNITY WATCH PROGRAM

River Bend Community Watch is an organized group of concerned citizen volunteers mobilized to assist the River Bend Police Department - to serve and protect the community. Members of the Community Watch patrol the Town as additional eyes and ears of the police, watching and listening for suspicious criminal activity or unsafe conditions. If we see a crime we report it!

Immediate and accurate reporting of a patroller's observations will effectively prevent crime and apprehend criminals - strengthening the partnership between the community and the police who serve us, making our Town a safer and better place to live and work.

PRIMARY OBJECTIVES OF COMMUNITY WATCH

- Accurately and immediately report suspicious activity, crimes in progress or dangerous conditions to the police.
- High visibility of neighborhood patrols.
- Watch members trained as competent witnesses.
- Assist the Police Department, other agencies and crime victims whenever possible.
- Work with Police Officers, municipal government, residents, and all Town stakeholders to accomplish the goal of a better and safer River Bend.

OUR GOALS
