Comments From Mayor- John Kirkland

The Council's work in developing the annual budget is the most important work that the Council performs on an annual basis. The development of the budget under the Council-Manager form of government has specific direction in General Statute. In that direction the Manager is designated as the Budget Officer. In that role he prepares a proposed budget and presents it to the Council for consideration and revision as they may direct.

Our process has been to develop the final budget during several scheduled meetings with designated elements of the budget being presented at each of the meetings. The first work is to evaluate the proposed expenditures. The Council discusses the line items with the Manager and proposes any changes they deem appropriate in each of the Town's operating departments. With the completion of department expenditures the projected revenue is reviewed and a tax rate is established and utility rates set.

The Council holds a public hearing on the agreed to budget. This hearing is scheduled for the June work session and public comments are received. The schedule then is to vote on the adoption of the 2022-2023 budget at the June Council Meeting. This approach meets all the mandates of General Statutes. This process has worked well for a number of years and should be followed again this year.

Recognition of Our Budget Process

For 11 consecutive years we have been recognized by the Government Finance Officers Association (GFOA) with the Distinguished Budget Presentation Award.

There are 552 municipalities in North Carolina. For the fiscal year beginning July 1, 2020 GFOA review, only 31 of 552 (5.6%) municipalities in NC received the GFOA Distinguished Budget Presentation Award. Of those 31, only 6 were in our LGC peer group for populations of 2,500-9999. We are the smallest town in NC to receive it. Most recipients are much larger than River Bend. For 2020 1,156 municipalities from Canada and USA received it.

Our Budget Preparation Process

The Town of River Bend employs a progressive and transparent budget development process that allows for significant participation from elected officials, advisory boards, staff, and the public. This tentative schedule of budget workshops outlines the dates of these sessions and the proposed topics to be discussed during each session.

While the Town Council and staff do their best to adhere to the printed schedule, there are times when deviation is necessary in order to accommodate adequate discussion of items scheduled for consideration. So, if time or information does not allow for complete discussion of a scheduled item, that item may be taken up at the beginning of the next session.

An Award-Winning Budget Document

Our Fiscal Year beginning 2020 Budget document has been awarded the Distinguished Budget Presentation Award from the Government Finance Officers Association. It was our 11th consecutive award. To learn more about this award program, or to review the document, visit the Finance page on our website.
