Victoria Stuppy reported that the Board finished the FY 24-25 year \$120 under budget and used some of the funds in June to:

- Replenish supplies for future events
- Purchase Christmas Tree
- Purchase New Bingo Set

The new budget year started in July 2025. Our new budget is \$6000 for the year.

- July & August – Under budget
- The money saved from these months will be moved to be used for future events.

Victoria Stuppy continues to promote events on the Parks & Rec Facebook page & NextDoor. We have 345 followers on Facebook. On NextDoor, she is seeing a minimum of 400-500 views per post.

Victoria Stuppy suggested posting highlights from meetings on both pages along with Save the Dates. She is trying to post more information to increase views. She also suggested creating a flyer with a description of each of the Community Advisory Boards to send out in

the next water bill. This will help reach those that do not use social media and hopefully spark interest among community members to join the boards or volunteer.

Kathy Noonan suggested a possible meet and greet for all the advisory boards somewhere local for the community to come meet the people on the different boards.

Past Events Review –

- July 4th – We discussed the 4th of July event. The Parks & Rec Board will be making some suggestions to the Town.
- Weekly Walk/Run – Diana Pantall stated this is off to a slow start. The people that have participated seem to enjoy the coffee shop. The start & stop point is the coffee shop. Diana stated that we need a way to notify people to let them know when this event is canceled when the weather is bad. Diana would like to keep this event active for the next couple of months to see if the interest grows. She would also like to post flyers at the local businesses.
