b. Discussion of Decorative Driveway Entry Fences/Walls

Town Manager Delane Jackson presented a slideshow with 20+ examples of driveway entry fences/walls at properties throughout River Bend. He explained that our current fence ordinance does not address these structures at all, and historically the Town staff has neither permitted nor enforced any guideline related to these structures. He asked that the Board consider the examples shown and review the Town's current ordinance to see if they would like to add to or modify the existing ordinance to better clarify the ambiguity surrounding these structures. Assistant Zoning Administrator Allison McCollum noted that this topic had been previously discussed by the Planning Board at the 3 August 2017 meeting and offered to send those minutes via email to the Board as food for thought. The Board asked questions as needed and agreed to revisit the topic at the next meeting.
