KICK OFF 2026
BY MAYOR MARK BLEDSOE

Thank you to our residents, community leaders, town staff, and partners for joining us as we begin 2026.

A new year gives us a moment to reflect—and to recommit. While the past year brought real challenges, it also showed the strength of this community. Neighbors looked out for one another. Town employees served with dedication and pride. Because of you, our Town kept moving forward.

Happy New Year!

We made meaningful progress—investing in public safety, improving infrastructure, supporting economic opportunity, and continuing the work of building a more inclusive and connected community.

As we step into 2026, our focus is clear. This is a year of building—building opportunity, trust, and a future that works for everyone. We will continue investing in our neighborhoods, supporting local businesses, and improving the services residents rely on every day—always with people at the center of our decisions.

A town is defined by its people, not its buildings or budgets. And I believe deeply in what we can achieve together when we work with purpose and unity.

So, as we begin this new year, I ask each of you to stay engaged, stay hopeful, and stay committed to this town we love. The challenges ahead are real—but so is our capacity to meet them.

Let's make 2026 a year of momentum, progress, and shared success.
Thank you, Happy New Year.

**TOWN MANAGER'S
REPORT**
BY TOWN MANAGER
DELANE JACKSON

This edition of my report will address closed sessions. This article was originally published in February 2020. Closed sessions regulations are a small part of the State's Open Meetings Statute. That language can be found in Article 33C of the North Carolina General Statutes (NCGS) beginning at Chapter 143-318.9. However, due to limited space and the complexity of the topic, I will not be able to cover every aspect of the Open Meetings Law. The reader should consider my report to be a general overview.

All political subdivisions of the State of North Carolina are subject to the Open Meetings Law. Examples of political subdivisions (aka public bodies) are local town councils, county commissions and school boards. There are others, but these three are probably the most commonly recognized public bodies. Chapter 143 begins with these words- "Whereas the public bodies that administer the legislative, policy-making, quasi-judicial, administrative, and advisory functions of North Carolina and its political subdivisions exist solely to conduct the people's business, it is the public policy of North Carolina that the hearings, deliberations, and actions of these bodies be conducted openly." This is why our Council meetings are open to the public and anyone can attend our meetings. Our regular Council meetings are held on the second and third Thursday of each month. When we conduct a meeting that is not a part of our regular schedule, we must properly advertise that meeting in accordance with the North Carolina General Statutes.

The General Statutes, specifically NCGS 143-318.11, authorizes public bodies to go into closed session. For the purpose of this discussion, a closed session is a meeting of the Council (or any public body) wherein the public is not allowed to attend. Typically, Councils schedule closed sessions as an agenda item for their regular meetings. When they get to that agenda item, they move into another private room to conduct the closed session discussions. However, public bodies can only go into closed session for specific reasons. There are ten categories that permit closed session. Those categories are codified in NCGS 143-318.11 (a)(1-10). Before entering closed session, a motion must be approved in open session by a majority of the public body. That motion must state the purpose(s) of the closed session from at least one of the ten categories. In general, the ten permitted topics which public bodies may discuss in closed session are:

1. Confidential information

-
2. Honorary degrees, scholarships, prizes and awards
 3. Consultation with an attorney
 4. Business location or expansion
 5. Real property acquisition
 6. Personnel matters
 7. Criminal Investigations
 8. School violence response plans
 9. Anti-terrorism plans
 10. Viewing of law enforcement recordings

Minutes of what takes place during closed session meetings are still required to be kept. However, based on the purpose of the closed session, the release of those minutes to the public may be delayed or in some cases, those minutes may remain closed from public view forever. The NCGS requires that each public body have an attorney. One important role for the attorney is to ensure that the public body is in compliance with the State's Open Meetings Law.

WRD/PW REPORT

BY BRANDON MILLS
DIRECTOR OF PUBLIC WORKS

Hopefully everyone was able to enjoy the holiday season, which has always been a special time of year for our community. The Public Works Department took pride in helping to create a festive atmosphere by setting up the town's Christmas tree and holiday lighting throughout areas of town. In addition to seasonal activities, Public Works staff completed several maintenance tasks to support public safety and infrastructure reliability. Multiple storm drain basins were cleaned to ensure proper drainage and to prevent flow obstructions during rain events. Our crew also washed several street signs around town that accumulated algae/mold growth over the years. This helps the signs to be more legible and helps with their overall appearance. Also, routine maintenance was performed on department vehicles, which includes oil/filter changes, wiper replacements and general inspections to keep our vehicles operating safely and efficiently.

Water Resources continued to perform well in operating and maintaining the town's water and wastewater utilities. The wastewater treatment plant rehabilitation project remains on schedule and is progressing smoothly. Contractors on site are performing quality work and maintaining good coordination with us. We also had three lift station pumps that we had to pull due to becoming clogged up. These issues were quickly identified and resolved by our staff. This quick action prevented any sanitary sewer overflows. As a reminder, there is literature on the Town's website on how to properly dispose of some common household items that do not belong in our collection system. If customers have trouble finding this literature, please contact me at 252-638-3870 ext 206.

If you have any questions concerning the Water Resources/Public Works Department, please call us at 252-638-3540, Monday-Friday, 8am-4pm. After-hours water and sewer emergencies can be reported by paging the on-call duty operator at 252-464-4328. You will then be asked to enter your phone number at the sound of the tone. After entering your phone number, the automated system will inform you that your page has been sent. Please be patient and our utility systems operator will return your call. If you do not receive a call back within ten minutes, please notify the Police Department at 252-638-1108 (option 1), and they will get in contact with the on-call utility systems operator.

REPORTING AFTER HOURS WATER-SEWER EMERGENCIES

- ◆ Page the on-call duty operator by dialing 252-474-4328.
- ◆ Enter your phone number at the sound of the tone.
- ◆ The automated system will inform you that your page has been sent.
- ◆ Our utility operator will return your call.
- ◆ If you do not receive a call back within ten minutes, please notify the Police Department at 638-1108 (option 1). They will get in touch with the on-call utility system operator.

Golf Cart Registration

Town ordinances allow for residents to drive their properly equipped golf carts on River Bend streets provided that they are inspected by and registered with our Police Department. If you plan to drive your golf cart on the roadways, you must display the current year registration decal. Decals for 2025 are available now. Inspection and registration are required annually. The registration fee for each golf cart is \$10. For additional information and to make your inspection reservation, please call the River Bend Police Department at 638-1108.

Click [HERE](#) for more information

Registration is Required for all Dogs and Cats

River Bend Animal Registrations for 2025 are due by March 31, 2025. All River Bend dogs and cats must be registered annually.

Office hours are Monday-Friday, 8 AM-4 PM.

Owners must present proof of rabies vaccination at the time of registration. Click [HERE](#) for more information.

Registration is \$10.00 per pet.

Pet I. D. Photos Now Available

The Town of River Bend is now offering residents the opportunity to link a digital photo of their registered pets to our Animal Registration database. When you register your pet this year, you may submit a photo by e-mail, or staff can scan a photo for you if you prefer. This photo database will help reunite lost pets with their owners more quickly in the event a pet becomes lost.

The service is voluntary and free of charge.

DOG PARK AT RIVER BEND

River Bend dogs have their own exercise area where they can play with other canines. Situated between the Town Park and Ritter Field, the dog park gives dogs a chance to run while their owners socialize. The park is open from sunrise to sunset for dogs with proof of current vaccinations. Separate exercise areas accommodate large and small dogs. For complete list of rules applicable to dog park use, please visit our web site at www.riverbendnc.org. Dog park rules are also posted at the entrance to the park.

If you have a medical condition for which you require any type of special medical care during a disaster or if your medical condition requires assistance to evacuate during a disaster, you may wish to apply to Craven County for their Special Needs Registry. The River Bend Police Department can provide you with the appropriate form and provide some basic information about the County's program.

River Bend has a very active Community Watch program supported by our Police Department. If you are interested in volunteering, call the River Bend Police Department at 638-1108.

River Bend has a skateboard park to meet the needs of some of our more athletic residents.

A signed parental approval [form](#) is required and helmet use is strictly enforced. For more information about the skateboard park, visit our web site or call the River Bend Police Department at 638-1108.
