WRD/PW REPORT

BY INTERIM PUBLIC WORKS DIRECTOR
JAMES JONES

During the month of October, the Public Works Department performed maintenance and decking board repairs on the kayak launch. Several decking boards were replaced along the dock. In addition, the lower railing was replaced on the entire length of the dock. This lower railing replacement will make it easier for Public Works to remove leaves from the launch. Public Works added an outside water line and spigot at the Town's new Public Works Building. This new water line gives access to water for the dog kennel and back portion of the equipment shelter. The department also helped prepare for several town events in the month of October, including National Night Out. In addition, a few damaged or broken road signs were replaced during the month.

Water Resources responded to several water service line leaks over the month. The leaks were identified, located, and repaired. Potassium permanganate treatment began in October on the town's water filters, with the hopes that all filters will be treated before the end of November. Repairs were also made to a leaking hypochlorite tank at the wastewater treatment plant. A new bar screen dumpster was brought in and plumbed up to replace the dilapidated old one. Water resources have been helping and preparing for the work that is beginning on the new Wastewater Treatment Plant. Dead-end line flushing also began at the end of the month, with hopes to alleviate brown water complaints.

If you have any questions concerning the Water Resources/Public Works Department, please call us at 252-638-3540, Monday-Friday, 8 AM-4 PM. After-hours water and sewer emergencies can be reported by dialing the Town Hall at 252-638-3870. You will be instructed to dial "9" and follow the directions to contact the on-call duty operator. You will then be asked to enter your phone number at the sound of the tone. After entering your phone number, the automated system will inform you that your page has been sent. Please, be patient and our utility systems operator will return your call. If you do not receive a call back within ten minutes, please notify the Police Department at 252-638-1108 (option 1), and they will get in contact with the on-call utility systems operator.

River Bend Town Hall beginning at 7:00 p.m.

etc.

Golf Cart Registration

Town ordinances allow for residents to drive their properly equipped golf carts on River Bend streets provided that they are inspected by and registered with our Police Department. If you plan to drive your golf cart on the roadways, you must display the current year registration decal. Decals for 2026 are available now. Inspection and registration are required annually. The registration fee for each golf cart is \$10. For additional information and to make your inspection reservation, please call the River Bend Police Department at 638-1108.

Click [HERE](#) for more information

Registration is Required for all Dogs and Cats

River Bend Animal Registrations for 2026 are due by March 31, 2026. All River Bend dogs and cats must be registered annually.

Office hours are Monday-Friday, 8 AM-4 PM.

Owners must present proof of rabies vaccination at the time of registration. Click [HERE](#) for more information.

Registration is \$10.00 per pet.

Pet I. D. Photos Now Available

The Town of River Bend is now offering residents the opportunity to link a digital photo of their registered pets to our Animal Registration database. When you register your pet this year, you may submit a photo by e-mail, or staff can scan a photo for you if you prefer. This photo database will help reunite lost pets with their owners more quickly in the event a pet becomes lost.

The service is voluntary and free of charge.

DOG PARK AT RIVER BEND

River Bend dogs have their own exercise area where they can play with other canines. Situated between the Town Park and Ritter Field, the dog park gives dogs a chance to run while their owners socialize. The park is open from sunrise to sunset for dogs with proof of current vaccinations. Separate exercise areas accommodate large and small dogs. For complete list of rules applicable to dog park use, please visit our web site at www.riverbendnc.org. Dog park rules are also posted at the entrance to the park.

If you have a medical condition for which you require any type of special medical care during a disaster or if your medical condition requires assistance to evacuate during a disaster, you may wish to apply to Craven County for their Special Needs Registry. The River Bend Police Department can provide you with the appropriate form and provide some basic information about the County's program.

River Bend has a very active Community Watch program supported by our Police Department. If you are interested in volunteering, call the River Bend Police Department at 638-1108.

River Bend has a skateboard park to meet the needs of some of our more athletic residents.

A signed parental approval [form](#) is required and helmet use is strictly enforced. For more information about the skateboard park, visit our web site or call the River Bend Police Department at 638-1108.
